**Subject:** How are you?

I don't read papers or let anyone tell me "the gossip" about you, so I have no idea what is going on, but I am guessing alot. I hope you are holding up and everyone is leaving you alone (except for those you wish to see and be with). I am so happy you are free. It makes me smile throughout the day. Thank you again for the wings back east.  
Call me when you can. Huge hug, S
