Shall I go ahead and book their flight on Jet Blue from PB to NY on Monday?? What time would you like them to depart from PB?? (there is a 4:20pm flight out arriving JFK at 7:22... or there is an 8:50pm flight that arrives at 11:29pm...both are \$214 each)

I was told Silver Jet does not fly this Sunday from London to New York. However, the man I was speaking with offered me a Delta flight in Business for \$3642 round trip. Just an FYI-I have already sent the BA itineraries to The Duchess' assistant...who was then going to book the police that travel with The Duchess on the same flights with BA. ...BA is closing or has closed for the day in the UK...that is why she was putting pressure on me to get the reference numbers for the flights.
