Not that I of. The lines at Nathans were 20 deep. Coney Island was hopping, haven't been there in ages. It was quite nostalgic for me. Sid Bernstein one of the great music promoters sat next to me, I didn't know who he was, however, I learned today he brought the Beatles to the states and lost money on the deal. Connie Francis looked terrible and here pipes were not what they once were. Frankie on the other hand has 95% of his pipes; he put on a great show. Stewie Stone, my good friend has opened for Frankie and others for 35 years, he was funny. All in all a good time was had by all. What is the drill with you now, can you come and go as you wish?

You were missed last night. There must have been 20,000 people at the park. The show was great.
