Jeffrey: Braitenberg called, and we talked for a while. Sounds like he isn't in shape to travel, but I got his email address.

[REDACTED]
and I'm thinking of sending him a message like this:

=====

Dear Valentino,

It was great to talk to you. I'm sorry to hear that your health is not so good. Anyway, tell me the name of your German book, and I'll see if we can help to get it translated and published in English. My friend Jeffrey Epstein in Florida is interested in your work, and has offered to help us to accomplish this. Can we have your permission for it?

Love, Marvin
