**Jeffrey,
-Mercedes:**

I will take S500 to mercedes dealer tomorrow morning at 8:00am, I will have them inspect the rear suspension and install the new spare tire in the R/H rear, estimated, 7 days to get proper tires delivered, this way car will be ok to drive temporarily. Need heavy side wall rated tires only, due to vehicle weight. The Dunlop's that are installed are discontinued.

-Dock polls:

I will cut the polls at 10:30am tomorrow, that has been confirmed,

-Zorro visit:

Eileen and the girls are heading to Zorro on Friday, is it ok if I go with them for a week? I'll use vacation time if that is ok with you,

Thank you,
Larry
