yes I did not pay timely but did get it done and the magazines were told GOOD things about you by me and I even tried to stop it and you may remember..you offered \$25k to writer

I have NOT charged the girls but when you send me people who can more then afford it I think it is only fair they pay me especially since it takes a long time to do them and costs...remember [REDACTED] was free....I am asking you to invest in something that is great and you will make a lot of money....I appreciate TOMMY but that is a very long road and I know \$1M is play to you and you have lost a lot in other deals...the show is proven the management is excellent so the risk is low if at all.....

Sincerely,

*Steven Victor, M.D.*
