Dear Jeffrey,

This is a time of the year when I have to ask you for tuition again. I understand as a parent I should take full care of my kids. Unfortunately without your help I can offer them public school only and it is very important for me to give them a strong base.

In the past you always graciously paid for my children's education and offered school activities.

This year my kids are going to the [REDACTED] Tuition bill is for \$20,500 (\$16,500 and \$4,000 for after school programs).

I appreciate you help very much.

Thank you

Bella
