Your friend Bob was paid the \$25k BUT did NOTHING at all and only visited me once for 10 minutes and told me on several phone calls he could NOT help at all so he was your idea and maybe you should or I will ask for the money back...he could not even fund his company BUT if you really feel it necessary the company will pay you back. The free medical deal is for YOU and your friends who can not afford my services. The others expect to pay and if they do not they would never respect the services and work.

Sincerely,

Steven Victor, M.D.
