Subject: friend

Hi Jeffrey! I hope you are really well. And I hope the transition has been smoother than your favorite girls' bum. heehee.

May I send you the resume of a dear friend of mine who was an analyst for ML and Bear? He lives in London, originally from Sweden. He is one of my best friends and is a really good guy.

I do hope to see you sometime in the near future! I send you lots of love from the UES of the N.Y.C.

happy Sunday
