[REDACTED] said that they had investigated a fiberglass pole, the only thing that was mentioned over and over again was the concerns about it becoming a lightening rod, given their weather.

Karen is going to look into larger flag poles and fiberglass options

**Subject:** Purchase Request

Hi [REDACTED]

I assume that this purchase will be placed on hold until 2010, but we had informed JEE about the Flag Pole damage & said we would forward a proposal ASAP. Approx 6 to 8 weeks for production and a further 2 weeks for delivery.

If you could just let me know what action to take I would appreciate it

Warmest regards  
[REDACTED]
