Sarah,

Here is the information for [REDACTED] trip from New York to Rome to Positano to Capri. She would fly into Rome; take a boat over to Positano and Capri, a helicopter from Capri back to Rome, then fly from Rome to New York.

Sunday, August 30th – Friday, September 4th

Here are the flights and prices we have so far.

#1- Flying Business Class on Alitalia Roundtrip (including helicopter) \$9,800.00

#2- Flying Coach Roundtrip on Alitalia (including helicopter) \$8,100.00

The only way she can get home for her event in the Hamptons on Friday night is to take this helicopter from Capri to Rome.

[REDACTED] is totally willing to go coach.

Let me know how I should proceed.

Thanks!
Alysha
