Subject: thanks?

I just got back from a grueling day.. I flew to Indiana at 6 am this morning, drove 1 hour to bloomington, gave a talk at noon, drove back to indianapolis, and then flew back here to Miami, getting in by 6:30 pm.. anyway, when I arrived back at the hotel Kate showed me these beautiful flowers that had arrived. I called the hotel and they said that they were dropped off for us, without a note.. I don't know anyone else that knows we are here, other than my family, and they would never do anything like that. I don't know if you had flowers sent, or why you would, but if you did, they were beautiful.
