Hi Jeffrey!

Hope you are sparkling in your eyes n heart today! ;)

I worked on Peggy for about 2 2/1 hours last night... She is wonderful! I told her that it was a gift from you, (I included it in what you give me) appreciate your putting me in contact with her. She was delighted by your gift and said she would call me in the city. Did you know we work a block away from eachother? Funny, no?

Soooo...I heard you saw the photos of yoga by the pool yesterday:) Poor Igor sure is getting it! Hee, hee... Was fun. So strange, normally there is no one at the pool, at least when I am there and yesterday, during yoga, everybody showed up! I told Igor we should charge admission to the show! Ha! :)

Big kiss Jeffrey!
