Ciao Jeffrey!

Hope you are happy and well and loving being home! ;)

I got back from Europe last week, 6 weeks there...great... Some rest, adventure, drama, a bit of great work, taxes...amazing friends! Did a 5 day intensive "Ultimate Leadership Camp" in the mountains and forest...fa-ha-bu-lous! Very rigorous but great! Was put through many challenges - physical, mentally, emotionally and got tons out of it! Now back in New York with tons of great, inspired energy!!!

Sincerely hoping you are well and that the last year is falling away behind you...

Big hug!

P.S. I really appreciate you! I am glad I took your advice about the haircut! I am being mistaken for my sister, who I find quite unkind, weak, but, just like you told Jen about her Sister...basically, get over it! ;) You are wonderful...don't forget it!
