About Twitter

Twitter is a unique approach to communication and networking based on the simple concept of status. What are you doing? What are your friends doing—right now? With Twitter, you may answer this question over SMS or the Web and the responses are shared between contacts.

This message was sent by a Twitter user who entered your email address. If you'd prefer not to receive emails when other people invite you to Twitter, click here: <http://twitter.com/i/optout/1a9cblae2ad43a4a073b04b5485548456f422482>
