(011972546177860) Shlomi Warner, CEO of the Netanya City Foundation in Israel called. The mayor of Netanya City (which is a large city north of Tel Aviv) will be coming to NY May 24-30th. The mayor's name is Miram Firebrej-Aicer. She is coming to NY to have discussions with people and knows of you through Ehud Barak. She and Shlomi thought you would be a good person to sit down with and is wondering if she could set up a meeting with you in New York or outside of NY..where ever is good for you (I did not say anything about you being in PB)
Shlomi's email address: [REDACTED] and phone number [REDACTED]
