Title: Update

#1. Went to Perri Peltz and Eric Ruttenberg's second son's bar mitzvah Saturday night on their One Beekman Place roof terrace....and saw Eva and Glen Dubin and [REDACTED] We spoke about how much we love you, miss you and are devoted to you....we are all counting the days you get out.

#2. Did much email exchange with [REDACTED] Sunday about Equestrian Safari. ([REDACTED] back Tuesday) [REDACTED] finally surfaced when I sent the ole' scare tactic note...."Jeffrey and I assume you do not want to go". That got her attention....She is emailing/calling [REDACTED] asap and they are calling Sandy Cunningham, the travel agent within the next two days...[REDACTED] is very very excited about goingjust forgot to relay that to us. She is finishing classes for the year and "busy". We are falling forward...

#3. Working on Tom Hanks Tribute at Film Society for Lincoln Center Monday night...helped get amazing celebs. They have a group of presenters and guests... Bruce Springsteen is surprise finale and singing. Spielberg, Mike Nichols, Ron Howard, Julie Roberts, Charlize Theron, Sam Mendes (who is Jewish), Jeremy Irons, Geoffrey Rush, Adrien Brody, Glen Close, Nora Ephron, Regis...on and on are coming....should be terrific. I am going to help Film Society re-invent itself...they really need me...this event will be the beginning of their comeback.
Stay well. xoxo Peg
