I got through to [REDACTED] recommendation for an [REDACTED]; [REDACTED]

[REDACTED]. They are only in their West Palm Beach office Mon, Wed, Friday. This week, all they have available is Wed. at 1:45pm, or Friday at 2:45pm. Would you like to see if they have anything next week that would work around [REDACTED], or would you like to try and move the time of [REDACTED] Wed. or Friday to work in the [REDACTED] appointment? They said the appointment takes about 45 min.
