**Subject:** Hey there!

Jeffrey!

Just having a moment of thinking of you and not being able to resist saying I think you are WONDERFUL! Hee...hee...(BIG HUG!)

Hey, looks like I found a last minute apt option which I am happier about! Ha, ha! 57th & 8th ave, my own bedroom and bath, share living room, kitchen with a woman who used to live there with her husband, he died some time back. She keeps mostly to herself and seems a lovely older woman. I could walk to work via central park and I love around there, easy, whole foods around the corner...and only \$900month!

Performed tonight, was concerned, but went quite well... I believe I have plantar faciitis. Had bits before, seems the jumping and running set it off, was a hard floor too... Now I need to find out best recovery plan: ) I take it all as a learning experience, and anyway have decided to be in the best round shape ever, just because I think its wonderful, feels SO good and wonder what more I can find! And then share! Very exciting!

Hey, I could probably come out eve of May 9...have a few things before then but would be very happy to! I am very happy to share with your people too...but never want to be pushy... Almost got Alexa, Alana and Jen to do yoga, but then 2 of them didn't feel well... I just figure the better the people around you feel the better the energy they have to bring to you! ; )

BIIIIIIIIGGGG hug!

: )
