Title: Molyneux co-ordination Jeffrey,

Brice has indicated to me that he, Karen and Emad are taking over Molyneux and Fancelli co-ordination. (See #1 from note to me from Brice below.)

I will in turn work with Mr. Molyneux to expedite installation & his design directives when he is on island. Silvina will work with him with regard to stain colors when he gets on island.

Curtis

Hi,

Quick update from meeting with JEE today & covering some of your questions

FYI, we will be back Monday night, will let you know travel details ASAP.

1: Emad, Karen and I will handle JP Molyneux/Christian. Obviously if there are any design questions etc you will handle them
