Wanted you to see...shall I answer with the usual "he's doing the best he can" and leave it at that? Or not answer at all?

Hi Leslie,

How are you? Hope you and your family are all doing well.

I wanted to know how Jeffrey was doing? How is he holding up physically and mentally? Has anyone been able to visit him to keep him company? He's been on my mind and I've been worrying about him and hope he's ok?? I know I have his email and that I haven't been in touch in a while but he never talked about how he was doing so figured it would be best to ask you directly.. pls let him know I said hi.

(my dad had a stroke a few months ago so things were crazy but thankfully he's ok now, I've been so manic)

Ok, will await your update.

Thanks and best wishes,

Emanuelle
