Title: Re: Existing Concrete Stamps and Samples Jeffrey,

I will proceed with additional samples with fan design.  
I will also retake photos with scale item for your reference.

Jeffrey,

We have stamps and samples of:

\*\*\*\*\* Compass ( It is not very large about 4' diameter)

\*\*\*\*\* Random Stone Pattern

We have (2) additional stamps of fan patterns but no samples to view.

Would like samples made of the (2) fan designs?
