Title: Re: call Gist of the Rolling Stone article-

- She's a force of nature – 21 – started at 18 – hardest of hard core – nothing off limits – all calculated to perpetuate an extreme brand and cross-over to Hollywood.
- Now has shot Steven Soderbergh's (Ocean's 11, Erin Brockovich) new movie THE GIRLFRIEND EXPERIENCE as the STAR, it opens next month
- Just set up her own adult company.
- Wants to play music and act, do other stuff, also produce adult.
  
- Has terrible representation.
- Trying to figure out her next move

So how do we make money with her? I had a meeting with her a year ago and keep in regular touch on email, as recently as yesterday.
