Title: Re: from Miasha Fisher

We are all thrilled to hear from you [REDACTED]...please connect with [REDACTED] asap.
Then email/call Sandy Cunningham with [REDACTED] and give her your dates and what you want to do.
Sandy already has some great ideas and has worked out some suggestions, lodges, equestrian safari's...etc.
She will give you ideas and work out what you girls want to do...August is the height of the season in Kenya and she needs to book rooms for both of you....rides, internships...what ever you girls think will be the best learning and fun experiences...
Keep the adults informed and I will stay in touch with Sandy too.
xoxo Peggy

Dear Ms. Siegal,

I was so excited to hear about this trip and would love to go on it ! I know I was away , and [REDACTED] is busy with school but I will call her tonight. I can go in August, I just have one prior commitment the last three days of August and the first week of September. This trip sounds amazing and I would love to be apart of it.
