Maybe I'm done w NY anyway. There is a school in hawaii that I have heard really good things about (a friend of a friend went there). Just talked to the massage association in the area and spas as well and they have all said its a really good program. Its called hawaii healing arts college. Its 600 hrs I could work pretty much anywhere except for ny. The tuition plus fees and books totals 7000. The only thing is that I wdnt have a job to be prepared to take care of rent right away, it looks like rooms are about6-700/month. Does this sound like a better idea to you than pacific college in ny?

Can I ask how u are?
