Dear Dear Jeffrey!

As I promised to send you some pictures, I'm sending. But my laptop is still in repair store, as soon as they fix it i will send you some really good pictures. Hope, you enjoy these also. And i've just seen a documentary movie called "Zeitgeist"("The Spirit of the Times") from Peter Joseph, it is about God, 9/11 and banking system. I really liked it. I think nothing from this movie would be new for you, but there is still an interesting facts, if you have a chance watch it.

Have a good night,  
Sweet dreams,  
Miss you,  
Love you
