As you are aware DPNR have scheduled a visit to LSJ next Wednesday 20th May.
Do you wish for me to be here for that visit and do wish to meet with me in PBI
upon my return to the Ranch.

If yes is the answer to the above, I would plan to leave early 21st May meet with
you and then carry onto the Ranch that night. Flight would leave mid afternoon
from PBI.

Karen will be returning to the Ranch Sunday 17th May to help get things ready for
GM's visit 19th & 20th May

Lastly Karen and I would like to attend Memorial Services in CO for the weekend
of 22 to the 25th May, can we do so.

For your consideration
Brice
