the apt. is just for me. I don't have sq. footage on either. The maintenance is \$755 in \$389 in Bklyn and \$862 on \$429 in city. I'll look into this more tomorrow. I agree the city apt. will have better resale value and it will be more convenient to get to work, but it seems very cold. Sounds like there's a Max II, somewhere in my future.

Love again, thanks again ...
