Subject: Hi!

Hello there cutie! (trying to think of new ones!)

How is your day going? Hope you are doing amazing things as you are so amazing!

I got some much needed rest...weird dreams but got the rest! And inspired to push up my sleeves and get the shovel and dug deeper into cleaning! Ha! Got to grab that inspiration by the cojones when it arrives! ;) I feel so inspired to create the best atmosphere possible for myself so as to nurture me to do very great things!

Went to dance class with David Howard, my fav... He is a bit of a broken down car...had 2 hip replacements and got some infection last year in some muscles that nearly took him! But he is a fantastic teacher! Was great to be back! I am really shining! Just need to figure out what my foot needs to get round to do the healing it needs...I am sure to find it...had bigger battles than this! ;) That is indeed one of the great perks in adding years on...I have the trust in me that I will find my way through... :)

Hey you, just wanted to send you lots of love via the mail and wrap it in a great big hug! Don't forget how wonderful you are and how much you are loved and appreciated! Here is one acknowledgement!

;)
