Title: Cannes

Just arrived in one piece.

On way to press office to get my credentials...how cool will I look with a badge hanging over my chic outfits?  
Raining....Len dumped me...he is coming Tuesday....invited to hang on his boat...will check it out shortly...Ronald Perelman's new one is here- he is not so far- will report on his too...

Going to "Precious" press conference at 1:30pm...very very hot black film about 300 lb. young girl who is raped by her dad...only the schwatzas can make a "must see" out of that topic...

More to come...xoxo Peg
