**Subject:** Good day to you sir!

Hello there!

BIIIIIIIGGGGGG hug into your day!

Hey! I took my first ballet class in months! Yippeeeeeee!!!! And went GREAT! Wasn't able to because of money, then fasciitis but have been doing about 2-3 1/2 hours a day at the studio or yoga when in Florida...and WOW what I re-shifted! Really cool! Better n eva!

Hey, is it possible to be there when Igor is there, I find I really enjoyed exchanging ideas, very, very nice to exchange with another who has gone very deeply, mastered the body and keeps growing and open!

Really cute... Yesterday my roommate, [REDACTED] (about 70 years old), very sweet, was saying again how she LOVES me being there and was saying how she really wishes me to feel at home, if I want to say hello, say hello! if I want to keep to myself, fine! And then she went to the piano (old baby grand) and broke into song! It was the sweetest thing! I was overcome with delight! I was getting ready to go, and was last minute checking the mirror and looked at myself and thought "Life is a musical!" It was like when you are watching a film and they suddenly jump into song and dance, was really too funny!

Anyway...do shine and be your amazing self in your special way today! I so appreciate you!!!

BIG kiss!

;)
