FYI, have just meet with Adam Cook of Saint Jan Botanica.  
[REDACTED]

Adam is a certified irrigation contractor and landscaper living in St John.  
He seemed very knowledgeable in regard to native plants, grass and shrubs

Have asked Adam to supply the following

- 1 proposal for irrigation maintenance, (to replace Scott Graff)
- 2 proposal to consult/manage landscape crew
- 3 proposal for development of 2nd flag pole location
- 4 proposal for irrigation system 2nd flag pole location.

Adam will be returning next Tuesday 19th to access existing irrigation system  
and 2nd flag pool location

Regards Brice
