Title: Catching up Jeffrey-

I had mentioned that I wanted to come down and visit with you at the end of May. If you have some time I would love to catch up. My son was bar mitzvahed last week and he did a great job (orthodox synagogue)! Rabbi Schneier came back from Israel after meeting with the Pope to officiate the service and that's going to cost me big time! I hope this email finds you in good spirits and can you believe VIX breaking through 30 from 51 in January! Let me know how you are doing by either email, phone or Skype!

Hope to see you soon!

Best regards-
