**Subject:** Helicopter to St. John

Larry claims that you can land a helicopter during "normal sunlight and businaess hours" which Larry thinks is 7:30ish-5:00ish. Larry thinks the donation to land at the Myrah Keating Clinic is \$75 per landing. Larry also said that you can not come even close to Peter Bay with a helicopter due to National Park rules. The realtor, Sharon Huprich, claims that the clinic is less than 15 minutes drive to Rotunda. There are 2 roads that you could take just incase one is being worked on.
