Title: Ghent Again: the second hip.

Just wanted to touch base today.

The operation was Tuesday and I got out of the hospital today. The bad news is that they took away the morphine drip and now I am not a happy camper.

They threw me in the pool this afternoon for swim class, which was a bit of relief.

I forgot the first day back to villa rehab is the worst. I do have medicine and tomorrow I will be OK.

Just needed a shoulder for a moment....and all this Flemish and German being spoken around me is getting to me.

Miss you...will have better news tomorrow.

Have work on June 2,4,8,9,10,11...that's the good news...

xoxo Peg
