**Subject:** Hi Jeffrey

How are you? I look foward to seeing you soon.

I went to Canne last week. It was great. It's the first time I have been to Europe. I went with Amir and his friends. It was nice to run into some people I knew from new york. Very refreshing.

We stayed at Amir's friend's boat. I made very good friends with him. He called me a day after I left and said that he misses me and I made a friend for life.

That ment a lot to me. The guy is very nice kind and smart and very big in Israel. I have a lot of respect for him.

Massage school is tough. It is very good, but it's difficult for me to pay attention. The intructors repeat things 10 times. I only need to hear it once.

I got invitations to travel for 2 months. France, Spain, Greece and Bahamas. I will probably postpone school until next semester which starts in September. I just want to enjoy myself right now.

I am amazed how well things are going with Jack. It is very difficult for me to live with other people, but with him it's easy. He does tedious things that I hate and I do what he can't. Together we make great partners.

I look very nice and not a day over 24 :) I learned a lot this year, but the core came from you and I am forever grateful for it.

I hope you are ok and have some time to reflect and rest and I look foward to seeing you and catching up.

Love,
