Subject: Fwd: stem man  
[redacted]

This is one of the gentlemen I meet with about the stem cell fat injections  
We will have the largest network of fat with over 200 offices nationwide  
This part of the program will begin in 6 months  
We will harvest stem cells from fat and inject for rejuvenation and store for future use  
More to come

Sincerely,

*Steven Victor, M.D.*
