**Subject:** G650 FYI

Jeffrey.,

Larry Morrison said he knows someone that is trying to get out of a Gulfstream 650 slot, serial number 15 or less with a delivery date of 2nd quarter 2013, for contract price of 59.5M, +

It would be complicated deal, since Gulfstream is not allowing the sale of G650 slots to other parties.  
just FYI.
