**Subject:** Hey!

Hi there!

Am feeling much rejuvenated! I found a Gyrotonics place not too far from the house and just did a 1 1/2 hour workout...yeah... Needed to unclench many muscles so I can do my thang real good!

I have a request...the training is rather expensive (for me), today, at a special one time discount it cost \$30 for 1 1/2 hours. I actually usually like to do more time as well. So, would be in range from \$37.50 - \$65 each time. Would you be up to funding the training? I feel it necessary to be able to unlock the tension I use in my work and feel amazing and put the love in my work I like to: ) What d'ya think?

Hey! I am open to doing the Gyrokenneallyc's training when you are!

Big kiss! You're wonderful and appreciate you SOOOOOO much!

;)
