Hi....thank u for ur explanation...for 99% im gonna become an us resident.but to cover and protect all my incomes in europe im just gonna work through MY COMPANY in slovakia so officially im not gonna have any income in europe so i wont have to pay taxes from that in US...cuz my company is slovakian resident...where its only 19% taxes ....im working on that with my lawyers and accountant..im gonna save some money, i know its much more interesting for models who earns much more \$ ....but i think its gonna be a good experience for me...to learn smth new and to feel more responsible...
