Title: Untitled document

Hello Jeffrey,

I hope you are doing well.

Harrods of London successfully launched my Spring designs last week and I recently completed a suite of objects for renown New York designer Albert Hadley. Mr. Hadley selected my work to be the primary elements of his tabletop design for the Lennox Hill Hospital benefit gala.

I am also pleased to announce that Town & Country magazine is featuring a preview from my upcoming tabletop accessories collection and Elle Decor will be previewing my new line of hand-made knobs with semiprecious stones. I will keep you updated once the magazines go to print.

Please remember that my work may be purchased from Harrods (London), Bergdorf Goodman (New York), Talmaris (Paris) or purchased directly from my studio by contacting me at [www.EduardoGarza.com](http://www.EduardoGarza.com).

A preview catalogue of my work as well as the designs I made for Harrods and Mr. Hadley can be seen here: [Spring 2009](#) (This file contains images, please be patient).

Please let me know if you prefer to receive my catalog as an email attachment.

Warmest regards,  
Eduardo
