Jeffrey, thank you so very much for helping me and Ike out with the most important part of our lives...our little boy. You are always so generous and kind to me. Thank you, thank you, thank you!!!...and I wish I could give you a big HUG right now! We take Ty's education seriously and want to provide our son every opportunity that we can...and with your help this year, we can!

And I am hoping with all my heart that things are all moving in the right direction for you!!!!

XOXOXOXO, Les
