Dear Mattie & Miasha,

I hope that you are both well and excited for this amazing trip!!

Please find attached the following documentation for your review and completion in order to confirm this trip:

- 1) Safari Itinerary
- 2) Pre Departure Information: Detailed information about travel documents and immunization, a packing list and photography information.
- 3) Visas: It is necessary to obtain a Kenya Visa prior to arrival and I would be more than happy to assist with the process. I have attached the visa application and each of you will need to return the application along with your passports and two 2x2 passport photos (each). Visa processing runs \$70 per person, regular 2 week service; \$100 per person for expedited service. We can wait until 2 or 3 months prior to your departure to start this process. Please keep in mind that your passports must have at least 2 blank visa pages and be valid for at least 6 months after

your scheduled return from Kenya.

- 4) Insurance Coverage: Rates are based on total trip cost and travelers age as outlined on the chart. I have based the premiums on the Classic Coverage which will protect you for the full amount.

In order to process an insurance policy, I will need you to return the *Personal Information Form* (attached). Pre-existing conditions are covered only if the policy is purchased within 14-days of deposit which is why it is important that I collect your booking documentation as soon as possible.

**I will need the following documentation to confirm your reservation; you may fax all forms to [REDACTED]**

- Personal Information Form
- Assumption of Risk & Liability
- Trip Cancellation & Insurance Waiver

I am currently looking into business class tickets from New York to Nairobi (roundtrip) and will let you know as soon as I have an air schedule for you.

Please do not hesitate to contact me with any questions or concerns!

All the best and warmest regards,

Stephanie.

Stephanie Hatfield
