Jeffrey...I'm so happy your hours "out" have been extended! I was completely surprised to receive your email last night!

Thank you so much for taking the time to talk with me and listen to what I had to say about Ty's fabulous school. I struggled with asking you if you could help out because of your horrendous situation...but I also know how important you think education is. I do not want to put you in an awkward position and want you to know even a 'contribution' would be sooo much appreciated...HOWEVER, I would completely understand if you are not able to lend a hand in these difficult times.

Xo Les
