Subject: STUFF from Plantation FL to JEE

HI.. Big Boy . You forget me so soon.??? I thought you were my pal.  
So I hear maybe we'll get to see you some time soon ; TRUE? or whenever . Would like that.  
My Big Guy (BML) and I up in North Car. this past 5 days trying to set up the house.  
Seems like it should be more fun yet time consuming and expensive . Wish we could have  
done what Jack did 1-2-3 . Bru with Jack for lunch today so thought of it and always , YOU  
But he is for real HAPPY! After the year he's had he deserves it . I'm glad.  
Would like to take the SONY up but I think we need a 46 " or 47" for the first level and even  
Bigger (much) for the DOWN "entertainment center" long wall when we have a new budget -  
as my husband tells me I've already exceeded mine ! shock. a "shonda" (sp)  
I'm not good at that . You were better !

*Anyway hoping all getting better for you and that things should look UP. Always on your side.  
!Are you for real OKAY ?*

WE here headed for BIG moments too - think I told you - MY 60 th B. D. June 10th (oy) -  
Yes , you'll always be younger .  
OUR ANNIVERSARY as you might remember JUNE 8 th - . Will never forget you for that . ever.  
THIS ONE IS a hard - to - believe , 25 th . WOW  
(amazing feat as a matter of fact that deserves celebration and recognition for sure) and  
tho poor timing , I'm needing rotator cuff surgery June 17 th (a big ich ) . Very sadly had to  
cancel our special trip to The Cove /Atlantis for just 4 days with our family (they too will  
have to survive but being me ,i was /am, guilty) or had to put off the surgery for another  
month (and I just mentally or painfully , can't - need it over with - hear it's awful but a must-  
do). Lot's of re-hab . Like to think by the Fall , and Holidays , I'll be nearly perfect !  
Maybe will hear from you TODAY - somehow , someway . please .  
I just wasn't blessed with a great spinal section or your brains.  
Trying to look on the brighter side. House occupying my time and brain so , I'll live... hopefully.

Don't know what to do quickly for Bruce for anniversary but will do - - - - . Any idea ?? !!  
You would have great idea maybe , but you have all your own things to handle so I wish you  
only the best. Will call upon you if desperate , yes ?  
Too long a note for you . Sorry/ . Drop me a "hey" , yes again ?  
your Brooklyn girl; MARSH (ever so much NOT like your other friends or acquaintances)  
Still, and sincerely ,  
a Big HUG  
Marcia M.
