Also dr Steven told me he knows a good dr in Paris that I could go to in case I have a problem with the medicine or if I need some cosmetic treatment. I want to be in the best shape when u'll see me next time! :)

Yes...he told me I'll have a perfect skin after 5 months,I have a broshure to read all the side effects...but I'm really determined to take this medicine coz is my only chance given the fact that it is an ereditary issue I can see my dad he had pimples untill 60 years old so I don't want to be the same for sure!!!

Indeed the only problem is that I'm broke right now :(

I found out this morning that I'm confirmed for Barcelona fashion week and I could earn up to 3000euros in one week...though the paiment will be done in 3 months.

And I was also thinking about your proposal to stay in your apartment in Paris and if is still on I would like to stay there...

Thank you
