Hi J - how are you doing - is there light at the end of the tunnel?

All good here - we have just been really busy - [REDACTED] is salmon-fishing in Russia (I know, don't ask) and then all sorts of stuff being planned for the summer - we have taken a house in Greece for 2 weeks at the end of July and I cannot wait - it looks stunning, is fully serviced, and best of all, there are no roads or cars so sea taxis come from Hydra to take you around -

Am thinking about coming back to NY later in the year, but would love to be able to see you, so let me know what your movements will be - am not sure quite how everything works - do you have to stay in FL? etc. but would be great if we could plan something - you come and stay at Ashe, maybe?
