**Subject:** Update

- real estate work is painful but clearly therapeutic. Cleans the brain, allows focus
- china advisory work remains surprisingly strong despite very little effort: i delegate to my team. US\$500k in fees for jan - june
- taking nicole to zurich on 18 june to see some people I know who will be useful for potential deals. Working on deal flow together
- seeing a lot of deal flow, a lot of crap but starting to get some interesting stuff too
- want to do a JE dedicated investment office in london, zurich or US, as you prefer. If you agree, will explain when I next visit in june or july whatever suits you better

Hope you are safe and well !

All the best  
David
