Subject: protector update

Jeffrey,
I spoke to Adam,
-they do not have a trailor for the boat
-canvas protective covers for tubes
-custom padded canvas covers for yamaha engines,
-all equipment and coast gaurd saftey equipment included (flares, EPIRB, life vests, rope, etc)
-it is a coast gaurd documented boat
-Furano Radar and dept sounder was \$16,800.00 when purchased
Adam has all receipts when boat was purchased,
-They upgraded the tubes to military spec thickness, compared to standard Protector tubes.
-teak decks
-eletric toilet
\$110,000.00
is this approved? or firm on 100K
thank you,
Larry
