Subject: Question for you

Hey [REDACTED]!

Glad to see you so well!

Wanted to know what happened to cleaning lady on the weekend? I am finding the kitchen over-flowing with garbage and things all over and so as to not attract cockroaches or to be able to use the kitchen myself I am tidying up... I am not the cleaning lady and do not want to be the one sweeping up after others but find it gets pretty out of hand on the weekend and find I am the only one interested and doing something. Can you enlighten me on this?

Thank you!

Wishing you a great rest of your day!

;)
